

I am greatly distressed at the idea of Sinclair  
Broadcasting running propaganda against a  
candidate ofr Presidency. I am OFFENDED NO  
MATTER WHO THE CANDIDATE IS!

This must come to a stop and it is for you to do it.

By running this attack as a feature, not an ad, they  
aren't even losing money in the process---it is  
costing them nothing.

WHAT HAPPENED TO THE EQUAL TIME DOCTRINE???
